WATER

4/14/14: Phone call

Ms. Zimmerman just received her notice of the rate case hearing and is oppose to any increase. She states that most the residents of Sanders are retired and on fixed incomes. This increase would be a great hardship to the customers of Arizona Windsong. Customer does not understand why the rates are so much higher then the neighboring water company, NTUA. Customer feels if the Company needs money they could sell some of their property rather than getting it from the customers.
